

OUR COVID-19 POLICY

1 CLEANING

Every piece of equipment, including cables and cases, will be thoroughly disinfected upon return with special attention to all touch points.

Gloves and masks will be worn by employees while preparing gear.

2 FACE MASKS

Face masks will be required for all customers and employees upon entry. If you forget your mask one will be provided to you.

3 CAMERA PREPS

Camera assistants are welcome to prep at our facilities and will have access to a dedicated restroom.

Guests should refrain from entering employee areas and stock rooms. Prep rooms will be disinfected once the prep is completed.

4 RENTAL VEHICLES

Like equipment, all rental vehicles will be disinfected upon return.

5 SOCIAL DISTANCING

Employees and customers should limit close contact as much as possible (about 6 feet).
